Information Professionals, Inc.
Six Sioux Lane
Branchburg, NJ 08876-5483

We wanted to take this opportunity to thank Information Professionals, Inc. for the outstanding service and quality of your product. Since we began using eWorkOrders, we have been able to streamline the job completion process. eWorkOrders is user friendly and the customer service is top notch. The Preventative Maintenance portion of the program keeps accurate records of the equipment that we service along with building schedules for future service.

We would enthusiastically recommend this product and this company to anyone looking to streamline their business and desiring impeccable customer service. Jeff always provides a prompt and accurate response to questions or concerns. We are nothing less than completely satisfied with the product and the service provided by Jeff Roscher and Information Professionals, Inc.

Sincerely,

Harold L. Finley, Jr.
